## TECHNICAL SKILLS

### FRONT-END

- **HTML**
- **CSS, SCSS**
- **JAVASCRIPT, TYPESCRIPT**

### LIBRARIES

- **BOOTSTRAP**
- **MATERIAL**
- **REACT**

### FRAMEWORK

- **ANGULAR**
- **NODE.JS**
- **EXPRESS.JS**

### DATABASE

- **MONGO DB**
- **MYSQL**

## EDUCATION

### Apollo Arts And Science College | 2020-2023

University Of Madras

- Bachelor of Science Dept of Computer Science  
Percentage : 79.14

### Jaigopal Garodia National HR SEC | 2016-2020

state board

- 10th Percentage: 64.80, 12th Percentage: 59.00

## PROJECT

- **TITLE :** WEB BASE ACADEMIC ADMINISTRATOR
- **TECHNOLOGIES :** MONGODB, EXPRESS, ANGULAR, NODE
- **DESCRIPTION :** I Developed On a cutting-edge Framework's to enable seamless **CRUD** (Create, Read, Update, Delete) operations. capabilities to enhance user experience, Admin and student **authentication, registration, Validations Attendance** tracking, and ensure data integrity. Architected an innovative **Single Page Application** and The principles of **lazy loading** and **Modern-JavaScript**. Client Data is sent to the server, where the database is located, using a request called an **REST-API**. The Server (Express.js) processes the data to ensure it's valid and then prepares it to be stored in the database .The server sends back a response to the client.
